A Few Notes:

1. Thank you! Your contribution allows us to provide essential items to young people when they first enter a 3:11 home and helps welcome them into the family!
2. Feel free to be as creative as you'd like! Some people include welcome notes, etc.
3. Please put one full kit into one laundry basket and give extra supplies to 3:11 in separate bags.
4. These are general guidelines. If you don't complete a full kit, that's okay! We have some extra items stocked away that we can add if needed.
5. We've included items for both male and female kits. We like to have male, female, and gender neutral kits (items: feminine hygiene, colors, type of deodorant, etc.).
6. Please include one note per kit, with the following information: 1) group name; 2) contact person and contact email address; 3) male/female/gender-neutral; 4) any missing items; 5) any other information.
